

Requairments :

- 1-Office Manager have to register Dentists who apply to join their network of dental surgeries
- 2- Office Manager uses the system to enroll new Patients who require dental services
- 3- A Patient can call in or submitting an online form on the ADS website to request an appointment to see a dentist.
- 4- Office Manager can then book the appointment and the system will send a confirmation email notifying the Patient
- 5- Dentists should be able to sign in to the system and view a listing of all their Appointments, including details of the Patients they have been scheduled to see
- 6- Patients should be able to sign in to the system and view their appointments, including the information of the dentist they have been booked to see
- 7-Patients should be able to request to cancel or change their appointments
- 8-A dentist cannot be given more than 5 appointments in any given week
- 9-The system should prevent a Patient from requesting a new appointment if they have an outstanding, unpaid bill for dental service they have received.
